

8th April 2022

1st Keynote Lecture for the HEAS Research Network.

The first lecture of the new research network HEAS – Human Evolution and Archaeological Sciences (funded by the University of Vienna) which aims to study human biological and cultural evolution within an interdisciplinary network, will take place in hybrid form on the 8th April 2022 from 17:00 to 19:00 in Hörsaal 1 at the UBB, our new building in 1030 Wien (Map [here](#)). This event will also be livestreamed.

Keynotes Presented by

Prof. Dr. Katerina Harvati Universität Tübingen

Pleistocene melting pot? The role of South-East Europe in human evolution

Prof. Dr. Mirjana Roksandic University of Winnipeg

Homo bodeoensis?: The connected Eastern Mediterranean in the Middle Pleistocene and the relevance of the Balkans

In order to comply with all Covid-19 safety requirements, participants must register in advance of the event. [Click here to register](#).
